REMARKS			

25X1 1. Prior to March 1953, the airfield east of Sumperk (P 50/H 69) was occupied by at most 5 small conventional aircraft and some gliders with which flying was practiced on weekdays in fair weather. The conventional aircraft with propellers were painted khaki brown and had the Czech national emblem. The gliders were towed aloft by conventional type aircraft or projected into the air by means of winches. No concrete aprons were available at the field. Two hangars were located in the northeastern corner of the field. No sentries were observed at the field, which was surrounded by a wire.

25X1 2.  jet aircraft of Czech make were allegedly stationed at the field.

25X1 1.  Comment. Sumperk airfield is a small airfield without military occupation. It is used by aircraft of the Aeroclub.

25X1 2.  Comment. Dobruška airfield near Line is occupied by a Czechoslovakian fighter division with two fighter regiments.
